ELIA (cont'd)
You need to go back to the psychodermatologist.

13 **INT. LUISA'S BEDROOM - NIGHT** 13

Luisa sits on her bed and scrolls through her phone. She lands on the 'Vanessa' contact. She hits 'call'.

It rings and rings. It goes to voicemail.

14 **INT. KITCHEN - DAY** 14

A new day.

Luisa opens the fridge door, and inside are PILES of TUPPERWARE, carefully marked **Mom - Breakfast, 03/10/2026. Mom - Dinner, 03/10/2026.** Pre-made meals by Elia.

Luisa takes the one labeled 'Breakfast' and opens it up on the counter. She picks at it with a fork. Takes a small bite of food. It makes her feel sick.

She tosses the rest of the meal into the trash bin under the sink.

Elia enters with her backpack in-hand.

ELIA
Morning!

Just then, a THUNDEROUS KNOCK KNOCK KNOCK on the front door.

The knocking doesn't stop as Elia walks over to the entrance.

15 **INT. ENTRANCE - DAY (CONTINUOUS)** 15

Elia opens the door to KARLA (19, bleach blonde, electric energy). Tear stains down her cheeks, holding two duffel bags.

KARLA
Elia!

Without waiting for an invite, Karla barges right in and grabs Elia into a big hug. Elia looks shocked and hugs her back.

ELIA
What are you doing here?

DEVOUR

KARLA
Oh my God, I have so much to tell you. I'm basically homeless. Not homeless, but he kicked me out.

ELIA
Your Dad?

Luisa stands there looking displeased.

KARLA
Yeah. We had a huge fight.

ELIA
Jeez. Okay, yeah of course. Come in.

Karla's already dropped her bags down into the entrance and walked into the living room.

DEVOUR

16 INT. LIVING ROOM - DAY (CONTINUOUS) 16

KARLA
My Dad was losing his mind about school, like why I wasn't enrolled, even though we'd talked about it a million times. Suddenly now it's a problem.

Karla walks around animatedly. Her eyes well up with tears again.

Luisa walks in and sits down on the couch, looking at Elia like *who the hell is this?*

KARLA (cont'd)
He said a bunch of horrible shit and I just can't be exposed to that anymore.

Elia walks over to Karla and guides her by hand to the couch opposite Luisa. Karla looks outright pitiful.

She sits down, still teary-eyed and looks at Luisa. Still frowning, Karla lifts up a hand in a meek "hello".

Luisa stares back, disenchanted.

ELIA
And then what happened?

KARLA
And then I left.

Karla then collapses into Elia's arms. Empathetic Elia just caresses her back, and shoots Luisa an apologetic look.

Then out of nowhere Karla grabs a pillow from the couch, stuffs her face into it and SCREAMS AT THE TOP OF HER LUNGS. It's muffled by the pillow.

Elia and Luisa look at each other.

ELIA
Karla, I'm so sorry but I have to go, I've got class. I'll be back in a few hours though. Okay?

END

Karla nods sadly.

Elia kisses Karla on the head, then hops over to Luisa and kisses her Mom on the head. She gives Luisa an apologetic look before rushing off and out the front door.

Leaving sniffling Karla and uncomfortable Luisa staring at each other in silence.

Luisa forces a smile.

17 **INT. HALLWAY - DAY** 17

Luisa pulls out bed linens and pillows from a closet and loads them into a laundry basket under her arm.

Karla opens the door to the bathroom. She's listening to UPBEAT MUSIC on her phone speaker. She is wrapped in a towel and her bleach blonde hair is slicked back, soaked. She walks into the living room to grab one of her bags, goes back into the bathroom and starts undressing with the door open. Luisa quickly looks away. Karla doesn't seem to care.

Luisa keeps loading the laundry basket. She cautiously looks back into the bathroom. She becomes distracted by Karla, now dressed, and brushing her hair back vigorously with her YELLOW ACRYLIC NAILS. Her skin is darkened from the sun, her shoulders a bit burnt.

A water droplet runs down her arm.

Karla applies a BRIGHT, VIOLET LIPSTICK to her lips.

Luisa observes.

Suddenly Karla turns around, smiles at Luisa and walks off.

DEVOUR

Luisa keeps watching.

Then Karla catches Luisa's eye. For a quick moment, Karla is taken aback. But it passes and she maintains eye contact with Luisa. She is wearing bright purple lipstick.

Luisa stares back.

Almost like Karla is enjoying this little game, she MOANS extra loud and keeps eye contact with Luisa.

Luisa stares back. Then walks away.

Karla and Parker keep going, and Karla tunes back in to her partner.

27 INT. KITCHEN - DAY 27

DEVOUR

Luisa is at her laptop. She opens up a browser window. She pauses.

She makes sure no one is around before carefully typing in the search engine: KARLA ESTELLA --

She pauses. Delete delete delete.

She stares at the screen again and then types in KARLA ESTRELLA KOVACS. Hits enter.

Some social media websites pop up.

She sees a Facebook status with a photo of Karla and Parker. She clicks on it to make it bigger.

Karla walks in. Luisa quickly SHUTS her laptop.

KARLA
Morning!

LUISA
Good morning.

Karla makes herself a coffee.

Luisa watches her.

LUISA (cont'd)
So, your boyfriend--

KARLA
Oh yeah. Isn't he sweet?

LUISA
Adorable.

Karla smiles at Luisa. Luisa isn't sure what to make of it.

They both know what happened last night, but neither mentions anything.

Just then, Elia walks in.

ELIA
Morning!

She puts a piece of bread into the toaster, pours herself some coffee and sits down with them.

KARLA
What do you do for work now, Luisa, that you're not a famous skater anymore?

LUISA
I own a training institute for female figure skaters.

ELIA
I train there.

KARLA
Impressive. Girl boss shit.

Luisa is slightly offended at Karla's response.

LUISA
What does *your* mother do?

ELIA
Mom --

KARLA
Nothing. She raised me as a kid but then she left. She always said her life stopped after she got pregnant with me. That she couldn't do any of her dreams and stuff.

LUISA
Oh. I'm sorry.

Karla shrugs. She notices Luisa's untouched plate.

Elia gets up to butter her toast.

DEVOUR

KARLA
I never see you eat.

Luisa tries to act like this question doesn't bother her.

LUISA
Sometimes I just don't have an appetite. Ever since I was a girl.

KARLA
Oh.

Luisa ignores her. Karla sips her coffee as Luisa studies her face, trying to read her. *Why is she acting like nothing happened last night?* Karla's confidence bothers Luisa.

As they sip their coffee, Karla lets a few drops fall onto the tabletop. Karla gives a little cheeky grin like *oops* as she watches Luisa watch the spill.

DEVOUR

LUISA
I'm sure your mother would have a lot more to say about that. About staying at home and raising you.

KARLA
Fuck yeah, she would.

Elia sits back down to eat.

Luisa and Karla stare at each other. Luisa flicks her eyes down to the coffee that's been spilled. She slides a DISHCLOTH across the table toward Karla: a silent instruction to clean it up. A move to regain her power.

Karla smirks; she wipes up the coffee spill.

KARLA (cont'd)
Hey, can I come watch practice?

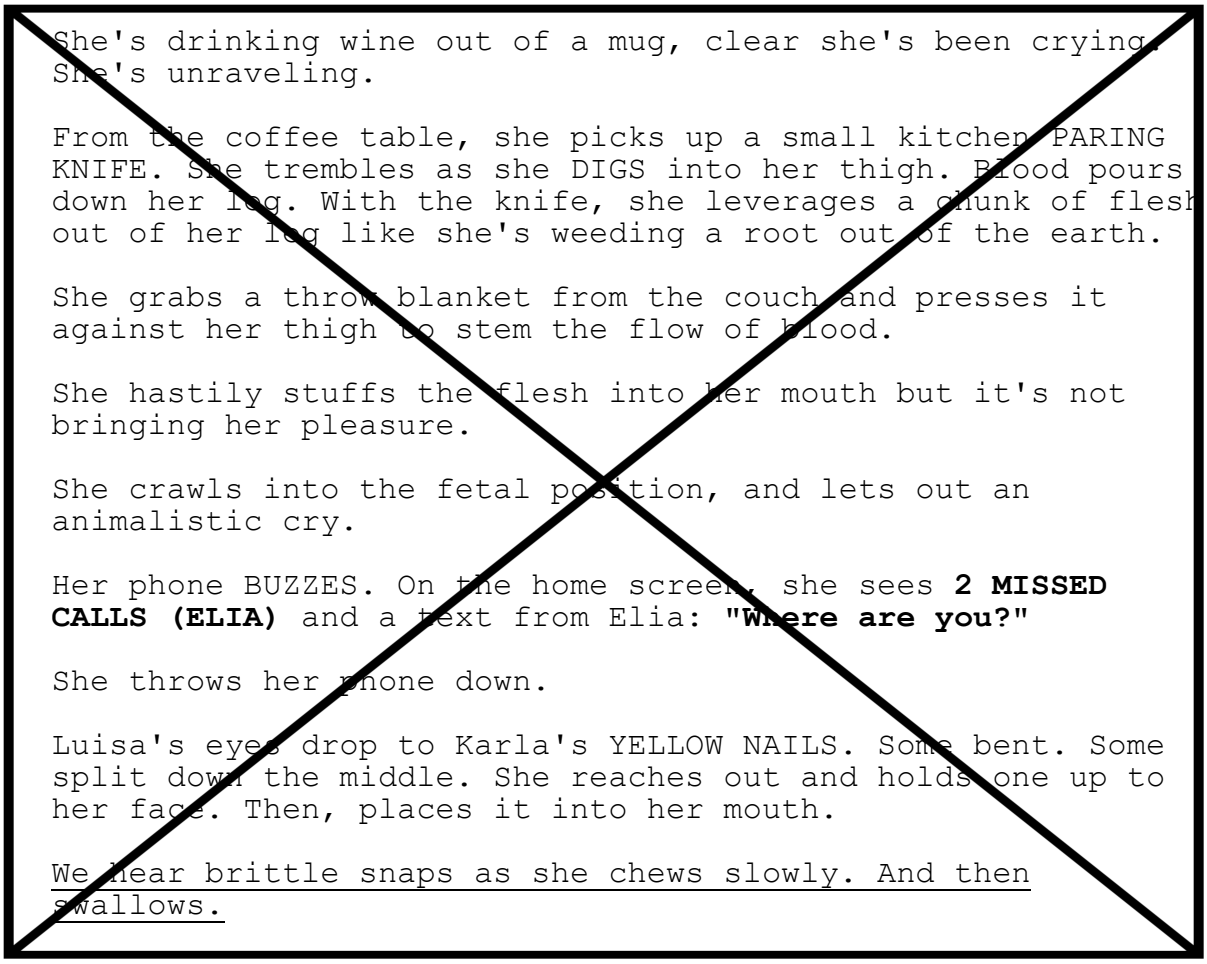

END

28 INT. TRINITY ICE RINK - DAY **28**

Elia practices her skating routine on the ice while Luisa coaches her from the sideboards intently. Karla sits in the bleachers, watching them.

LUISA
Deepen your outside edge... deepen... deepen. Lock your left side. Lock it!

Karla stares at Luisa, mesmerized. She's intrigued.

She's drinking wine out of a mug, clear she's been crying. She's unraveling.

From the coffee table, she picks up a small kitchen PARING KNIFE. She trembles as she DIGS into her thigh. Blood pours down her leg. With the knife, she leverages a chunk of flesh out of her leg like she's weeding a root out of the earth.

She grabs a throw blanket from the couch and presses it against her thigh to stem the flow of blood.

She hastily stuffs the flesh into her mouth but it's not bringing her pleasure.

She crawls into the fetal position, and lets out an animalistic cry.

Her phone BUZZES. On the home screen, she sees **2 MISSED CALLS (ELIA)** and a text from Elia: **"Where are you?"**

She throws her phone down.

Luisa's eyes drop to Karla's YELLOW NAILS. Some bent. Some split down the middle. She reaches out and holds one up to her face. Then, places it into her mouth.

We hear brittle snaps as she chews slowly. And then swallows.

DEVOUR

77 INT. LUISA'S BEDROOM - DAY **77**

Karla walks in and scans the empty room. The shower is on in the en-suite bathroom. She walks over to a VANITY TABLE: expensive makeup, perfume bottles, and a silk robe draped over the chair.

Karla pulls the robe to caress her cheek to feel the luxury and wealth.

She stops abruptly once she hears the shower stop. Luisa walks out in a bathrobe, startled by Karla's presence.

START →

KARLA
I want to show you something.

Karla pulls up her pant leg to reveal A FAINT BUT RAISED KELOID SCAR on her thigh that stretches far up to her naval.

KARLA (cont'd)
When I was a kid, my Mom had different boyfriends all the time.

Luisa listens.

KARLA (cont'd)
One time my mom and this guy were having a fight in the kitchen. They used to throw things at each other. And I got in the way. It was pretty bad. I needed stitches. I don’t think I could handle that feeling again; any kind of violence.

LUISA
Of course.

A long beat as Karla changes course.

KARLA
But, I think it's hot that you want that.

Karla holds Luisa's gaze.

LUISA
Karla, no. We can just go back to what it was. I don't want that.

KARLA
But you do.

Karla smirks.

KARLA (cont'd)
I think you really want to take a bite out of me. And I think that's really fucking hot.

She walks over to Luisa as she speaks, moving in a purposefully seductive way. She speaks slowly.

KARLA
I think you want to cut my arm off and season it and grill it. I think you want to cut into it like a chicken wing. You want to see what the inside looks like. You want to taste this --

She grabs a fistful of her upper arm, the fleshy part underneath.

KARLA (cont'd)
-- and you want to sink your teeth into it.

Luisa listens, says nothing. She's trying to hide her excitement, Karla is right, but she's embarrassed.

DEVOUR

Karla is getting turned on by enticing Luisa with something she knows she cannot have. She pulls away.

KARLA (cont'd)
But I can't have you do that. So what if I do it to you?

LUISA
To me?

KARLA
If it turns you on, I think it's hot.

Karla starts to take Luisa's clothes off. Luisa lets her.

Karla smells Luisa's skin, playing into what she thinks Luisa wants. She kisses Luisa's arm, moving from her shoulder to her hand. She puts Luisa's fingers in her mouth. Luisa sighs with pleasure.

KARLA (cont'd)
(between kisses down her navel)
And you need to promise... that this is our agreement.

She pulls Karla into her and kisses her hard on the mouth. The two of them crawl onto the bed, on top of the covers, and Karla gets on her knees, facing Luisa. She grabs Luisa's thigh.

KARLA (cont'd)
Let me do it.

END

Luisa doesn't need more convincing. She winces in pleasure at Karla who is toying her thigh with her tongue.

Then Karla presses her teeth down into Luisa's thigh. They dig into Luisa's flesh.

Luisa gasps, enjoying it.

Blood starts to run down Luisa's thigh. Karla bites harder the more pleasure she sees run across Luisa's face.

This turns Luisa on, and almost as instinct, she grabs Karla's arm and kisses down it, licking it. She nibbles it. She cannot control herself.

LUISA
(begging)
Karla, please.
